Course on General Elements for the Immediate Protection of Children and Adolescents Victims of Violence

Secretaría de Gobernación

Dplioma in General High School Education by Competencies

SEMS

Bachelor's Degree in Law

Universitrios de Occidente (2004-2010)

WORK EXPERIENCE

Lawyer

Centro de Justicia para las Mujeres 2023 - 2024

Working within the coordination of Criminal Processes as a Legal Advisor for women victims of gender-based violence, implementing strategies in investigations to provide evidence, achieving the judicialization of investigation files and the arraignment of the accused.

Legal Area Director

AVANPRO 2014 - 2022

My main responsibilities included leading and training the staff in the department, ensuring compliance with applicable legal regulations for the company, representing the company in legal proceedings, defining criteria for credit evaluation and approval, designing collection strategies to reduce overdue accounts, and supervising the follow-up of accounts receivable.

Professor

Universitarios de Occidente 2011 - 2014

I taught undergraduate courses such as Criminal Procedural Law, Commercial Procedural Law, Introduction to the Study of Law, Constitutional Law, and Criminal Theory. I designed study plans aligned with the needs of the students and labor market demands, evaluating student performance through exams, essays, and projects.

Lawyer

Monarque-Novia Abogados 2007 - 2009

My main role was providing legal representation and advice to clients, acting as a legal representative for lawsuits and collections for several major companies, including Nike de México, the Tequila Regulatory Council, and Ford Credit. I ensured compliance with applicable legal regulations for the companies and implemented strategies aimed at reducing risks within the legal framework.
